MEMORANDUM FOR THE DEPUTY DIRECTOR, CENTRAL INTELLIGENCE

I wish to call your attention to a unit of OSO, known as the Special Equipment Section (SES). Its original purpose was to afford a limiton between Franch Chiefs and those offices which develop special equipment.

Personally, I am unable to see that the Special Equipment Section serves any useful purpose. It strikes no as a 100% "made job."

I believe the Franch Chiefs can end should work directly with Communications and _______ Any necessary coordination or Liaison can easily be done by ADCO's office.

I should appreciate it if, at your convenience, you would creating the alleged functions of SES to determine their actual coundness, with a view to concurring in, or denying, my recommendation that EES be abolished.
